RE: Scope determination on antidumping duty order on certain circular welded non-alloy steel pipe from Mexico (A-201-805)

1. On 07/27/2015, in response to a request by Maquilacero, S.A. de C.V., Commerce issued a final scope determination that Maquilacero's black ASTM A-513 tubing which Maquilacero exports is within the scope of the antidumping duty order on certain circular welded non-alloy steel pipe from Mexico (A-201-805).
2. Because the imported product is not single-stenciled as ASTM A-513, Commerce found this product to be within the scope of the order.
3. Continue to suspend liquidation of entries of certain circular welded non-alloy steel pipe from Mexico, including Maquilacero's black ASTM A-513 tubing exported by Maquilacero described above, subject to the antidumping duty order on certain circular welded non-alloy steel pipe from Mexico.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O#VI: MF.)
5. There are no restrictions on the release of this information.
